

KINGSFORD

Masterplan

Kingsford at Bullsbrook located on the edge of the Swan Valley and nestled within the awe-inspiring beauty of the foothills is an idyllic setting for this fully planned address. Kingsford will reach new heights in convenience with an inspiring new village centre to complement the surrounding amenity combined with unprecedented connectivity to the Great Northern Highway and the new Northlink to be completed in 2019, making it an easy commute to the Perth CBD.

Features

- 2,500 homesites upon completion
- Average lot size in excess of 500sqm
- Over 41ha retained public open space, creek lines, and manicured parklands
- Future Town Centre – including supermarkets, specialty stores, cafés and medical centre
- Existing primary and secondary schools with a new school planned
- New district level playing fields
